

## ITIL Frameworks V3

Contributed by David Noel-Davies

There is a new section to [ITContractors.org](http://ITContractors.org) that will offer a hand holding trip through the ITIL v3 framework. For the very virginal there is a 101 class here on [DONTrtfm.com](http://DONTrtfm.com) and an implementation example on [MSExchangelibrary.com](http://MSExchangelibrary.com) but for the more hardcore of you, the main guts of it will be in a new section on [ITContractors.org](http://ITContractors.org). For the original source of
